

Burr Ridge Park District Harvest Fest

It is time once again for the Burr Ridge Park District's annual Harvest Fest on Saturday, September 25 from 1:00pm to 5:00pm at Harvester Park. Each year sponsors have made this event a successful promotion of community spirit for all ages from the Burr Ridge area and surrounding communities. These contributions also support the cooperation of local businesses and local governments by investing dollars right in our own backyard while bringing families together for a home spun fall event in their own community.

With any level of funding, thousands of flyers advertising Harvest Fest and related activities with your business name will be distributed to residents, businesses and all local schools. Sponsors will also be listed on our web site and will receive further recognition on the day of the event and receive free wristbands and tickets for all activities. Any level of funding also allows the sponsor to be present on the day of the event and run a children's game.

Please choose from the sponsorship levels below and phone Jamie Janusz at 630-920-1969 or email at rosepark3@comcast.net to make your commitment to this annual, fun-filled community event.
